

Dynavac® DYN-511H

Easy to carry and transport, this compact vacuum is suited for cleanup in small and confined areas. Shipped with HEPA filter, Disposable paper filter bag (5/Pk), Intermediate prefilter (2/Pk) and dry tool kit.

Features:

Motor Head

Equipped with 1.3 HP motor and fitted with a power nozzle receptacle. Includes 30 ft, 3 wire grounded safety yellow power cord.

Three Heavy-Duty Clamps

Heavy duty spring steel clamps with non-marring tips ensure a positive vacuum seal.

HEPA Filter System

Consists of a certified absolute 14" HEPA filter, intermediary micro filter and disposable filter bag.

Swivel Hose Connector

The 1 1/4" swivel hose connector fits tank inlet for vacuuming or motor head exhaust fitting for blowing applications.

HEPA Filter

It has a minimum efficiency rating of 99.97% at 0.3 microns HOT DOP method certified.

Tool Kit Includes

2- 1 1/4" aluminum wands, 4" upholstery tool, 10 Ft vinyl hose, swivel hose connector, 9" crevice tool, 10" carpet tool, 3" round dusting brush and 12" combination floor tool.

Optional Features Available:

#260150 Turbo Brush
#5006AP Power Nozzle

Vacuum Tank

Rotationally molded, high impact plastic with .25" wall construction. Equipped with four 2.5" swivel casters. The no-tip base design has low center of gravity.
